| Background information and reasons for proposing the motion. |
|---|

| |
|---|
| comment: Although this point is included in the job description, it has not been possible so far. |
|---|

| |
|---|
| <i>Question: When you say "it has not been possible so far", what period of time are you talking about? The way it is written, it looks as if no EXCO has ever communicated with the NSs. Is that what you meant?</i> |
|---|

| |
|---|
| <i>We mean that in these 3 years time there were no summaries about the actions that were taken. Many times the answer to inquiries we made about specific subjects, we got the same answer that is: we're working with it and that's all. There's a kind of secrecy in Exco activities that we think that shouldn't exist. Some mistakes were made (like when NSs never got an email inviting us to send motions to be voted) and so in that occasion only Exco presented motions and no one from Exco explained anything.</i> |
|---|

| Likely benefits for Servas International and national groups if the motion is passed. |
|--|

| |
|--|
| With clear reports of what Exco is doing the organization will have a clearer idea of what has to be done and when. Exco should be the best example of conduction. |
