Servas Italia - Trentino Alto Adige - Südtirol initiative to celebrate the 75th anniversary of Servas together - **Meeting Saturday 31 August 2024** in Valsugana

Hi everyone! After the numerous and splendid Servas initiatives to celebrate Servas' 75th birthday, Servas Trentino Alto Adige also invites you to:

SATURDAY 31 AUGUST 2024

On the Valsugana cycle path (province of Trento) in the municipality of Grigno Valsugana (see map)

We will place a plaque in memory of Servas 75 - in a special place: Trench "Trincerone"

We want to talk about peace, talk about Servas which has been operating since 1949 for this important and current value: PEACE that overcomes borders!

We have identified a border post (Grigno, the last municipality in Trentino on the border with Veneto), a war post (the Trincerone is a defensive line built by the Italians, never used, conquered by the Austrians following the defeat of

Caporetto... but there will be guides who will accompany us in this small but significant place, to understand it better)

Location: the Valsugana cycle path

How to get there and what to do: you can arrive by car or train (from Trento there is an excellent train connection that you can also use for bike transport)

How long will this meeting last:

decide whether you want to come to the commemorative moment on Saturday 31 August in the morning (around 10.30) or whether to go on a day trip or organize a small trip, seeking hospitality from Servas members from Trentino or Veneto, why not! We Servas have no borders, we overcome them! And we Servas of Trentino Alto Adige, sensitive as a border land and of transversal overcoming of "borders", want to celebrate every Servas International and/or Italian member who wants to participate, and we intend to give visibility to the beautiful reality of Servas which must be known in order to grow over the years: 75 years is a long time and we want to bring together new people, even young people, to renew the spirit of those who courageously gave birth to Servas in 1949!

It will be a trip that each member will organize independently, but for lunch on 31 August 2024 we can be together at the bic-grill in Grigno Valsugana

To organize better, I ask you to write **NO LATER than AUGUST 20th** to this email: crisbeber@libero.it specifying the Servas surname/name of origin - telephone numbers - where you are staying and when you will arrive. Do you want to book a group lunch?

We are waiting for you!
