

Elected Position	Youth and Families Committee	
Name	Elena Olivera Begué	
Country	Spain	
Why are you volunteering for this position?	This last 3 years have had challenging moments but also very beautiful one where I have seen the results of my volunteering in many happy, more empowered youth. I feel now I have more tools and knowledge of the organisation so that I can continue with my actions. I also candidate to provide some continuity to the committee, to keep some knowledge, but with the idea to listen to the new comers.	
Skills and experience	<p>I can offer my experience, my ideas and my contacts within the youth community in the organisation. I have experience in navigating the organisation, and I know which people to ask when youth wants to do actions, I wish to be that connection so that the youth feels respected and empowered within the community. I also have ideas of events we could organise, and I need teams of people to make them happen. Finally, I know many youth members that I have meet in different events (Sicoga 2022, youth camps - participation and organisation -, online meetings and "simple home visits"). I think I can offer this proximity to the youth group we want to engage with and empower.</p> <p>What I hope to achieve is the continuity of my work this last 3 years: Empowering youth within the servas. This way, they can feel connected to the organisation and continue to engage with it. My goal has to parts: organising events focused on youth and facilitating ideas from other youth members. My goal is to show that youth has a purpose and a meaning in the organisation and to find together how it is for the newer generations. This way, we can inspire new young people to join the organisation.</p>
