| Elected Position | Membership Technology Secretary | |
| Name | Paul Nielsen | |
| Country | Australia | |
| Why are you volunteering for this position? | I love Servas and the people in it. I am an IT professional with a broad knowledge of things IT. I have built and manage the Servas Australia Drupal Website and I currently manage the Google Workspace for Servas Australia and Servas International. I hope to complete the development of Servas.org to make it easy for all to use and to make it a useful tool for managing the Servas members for admins, providing all the reports needed. I have a plan to add a social media function to Servas.org that I hope will encourage Servas Youth to use the site as a communication tool between Servas friends ... A site with only trusted (interviewed) Servas members. I hope such a site will encourage young members to stay connected with Servas after their travels. | |
