

Elected Position		Member International Development Committee	
Name		Neuma Dantas	
Country		Brazil	
Why are you volunteering for this position?		I am volunteering for re-election because I have always wanted to help member groups that need support, especially in the area where I live, Latin America (18 groups). I can offer dedication to the work in the region that I know; to continue with the work of peace, the desire for Latin groups to develop and gain autonomy.	
Skills and experience		I will continue to encourage the growth of the number of members, notably by attracting young people to Servas, as well as uniting the Latin countries. I am determined and persistent. I contributed to the recovery of countries that were isolated (Ecuador, Cuba, Honduras, Nicaragua).
