

Servas Israel Annual Assembly, Yeruham, Friday, March 22, 2024

If you happen to be in Israel on Friday, March 22, 2024, 8:00-12:30 UTC, OR if not, join us via Zoom – 8:30-10:30 UTC – to meet Israel Servas friends, and, hopefully, non-member locals. See you.

Dear Friends,

The year 2023 has not been easy in Israel, and difficult times are still ahead of us.

Even in these times, we want to meet, share, remember what was and plan what will be - in Servas Israel and Servas International.

We have prepared a special program that combines a visit to Yeruham and a get-together with local people in the spirit of Servas and in accordance with current times -

We will meet with Servas friends who cannot attend in person and with Servas friends from abroad via Zoom.

Registration - until Thursday 7/3/2024. By email to israel@servas.org

Why Yeruham ? <https://www.bamidbar-en.org> <https://visit-yerucham.com/en>
