Servas Youth announcement for Virtual Neighborhood Tour Event on Sept 18th, 2021

## Servas Youth presents:

## **Come Walk With Us!**

A Virtual Showcase of Our Neighborhoods

The US Servas Youth invites all Servas members to join us on virtual walking tours of our neighborhoods. Using our cell phones, we will visit communities in the US and across the world!

Tavel is still not possible for many of us. So let's travel together and get out of our own bubbles for a moment to share our daily lives and surroundings with each other! Do you have a morning walking route you'd like to share? Do the houses in your neighborhood have interesting architecture? Are you growing a garden you want to show off? We'd love to see it!

Those who want to give us a tour of their neighborhood, please log on to Zoom through your cell phone.
